Subject: Update – Blackwater Project Transmission Line Heavy Works No. of Pages: 1

Attention: Stakeholders /Tenure Holders in the Blackwater Mine and Transmission Line Area

We are writing to provide an update regarding BW Gold's Transmission Line Rehabilitation. Heavy equipment operations will continue into October 2025.

Transmission line works will include heavy equipment for trail and road deactivation, rehabilitation, and the implementation of access control measures. Frost Lake Logging Ltd. remains the primary contractor for this phase of the project.

Please note that operations north of the Nechako River are scheduled to conclude by the middle of September. Remaining work is taking place south of the Nechako River.

We welcome the opportunity to provide more information on Blackwater's activities. Please contact our Community Office at 250-567-3276, or by email at office.blackwater@artemisgoldinc.com with any questions you may have. Likewise, you can submit feedback and inquire via our Community Feedback Mechanism located on our website at artemisgoldinc.com/blackwater-community/community-feedback-mechanism. For information on any of the management plans and schedules of planned activities please sign up for notifications at blackwatergoldmine.com.

Sincerely,
